Kuheli Begum

Master of Computer Applications | Batch 2025–27 | **CHRIST (Deemed to be University), Bengaluru**
kuheli350@gmail.com ▪ linkedin.com/in/kuheli-begum/ ▪ github.com/kuheli7 ▪ Bengaluru, Karnataka

PROFESSIONAL SUMMARY

MCA student at CHRIST University with a strong foundation in Data Structures and Algorithms, Object-Oriented Programming, DBMS, and software engineering. Hands-on experience building full-stack applications using JavaScript, React, Node.js, Express.js, and REST APIs, with additional programming experience in Java and Python. Experienced in developing and iterating on real-world projects, with a strong ability to learn unfamiliar technologies and solve problems collaboratively.

PROJECTS

VoiceNav | Voice-Controlled Browser Extension | JavaScript, Python, FastAPI, Ollama | Link *Oct 2026 – Present*
- Building a Chrome/Edge accessibility extension that lets users browse hands-free with commands like "open the cheapest one".
- Combined rule-based parsing with a local LLM (Qwen2.5-3B, Ollama) via FastAPI; the model can only pick labels on the page.
- Raised command accuracy from 64% to 94% on a 50-command test set (82% held-out); passes 72/74 checks on 14 Indian websites.

CostLens | AWS Cost Root-Cause Analyzer | Python, FastAPI, React, AWS Lambda | Link *Oct 2026 – Present*
- Building a tool that traces daily AWS bill changes to the exact resource and CloudTrail event, with a plain-English Slack summary.
- Wrote a deterministic engine that splits each change into usage vs. price effects, exact to the cent (property-tested).
- Named the correct root cause in all 240 injected test incidents on synthetic billing data; a validator blocks invented numbers.

MindCare | Mental Health Assessment Platform | React, Node.js, Express.js, JWT | Link *Feb 2025 – Apr 2025*
- Collaborated with teammates to build and deploy a full-stack React, Node.js and Express.js app for structured mental-health assessments.
- Developed assessment workflows for stress, anxiety, depression, burnout, and sleep, including a combined assessment.
- Implemented JWT-based authentication and bcrypt password hashing to secure user accounts and authenticated API requests.
- Developed RESTful APIs connecting frontend components with backend services for authentication and assessment data.

SKILLS

Languages: Java, Python, JavaScript, C
Core CS: Data Structures & Algorithms, Object-Oriented Programming, DBMS
Web Development: React.js, Node.js, Express.js, FastAPI, REST APIs, HTML5, CSS3
AI & ML: LLM integration (Ollama), Computer Vision (YOLO)
Databases: MySQL, MongoDB
Cloud & Tools: AWS (Lambda, S3), Git, GitHub

CERTIFICATIONS & TRAINING

- **Programming in Java** – NPTEL *2025*
- **AWS Academy Graduate – Cloud Foundations** – AWS Academy *2026*
- **Intermediate Object-Oriented Programming in Python** – DataCamp *2025*
- **Data Analytics with Python** – NPTEL *2025*

CO-CURRICULAR & LEADERSHIP

CHRIST (Deemed to be University), Bengaluru *Aug 2025 – Sep 2026*
Class Representative
- Represented the MCA batch by coordinating communication between students and faculty.

Gateways 2025, CHRIST (Deemed to be University) *2025*
Documentation Volunteer
- Documented event activities and maintained event records while supporting the successful execution of Gateways 2025.

Visva Bharati University, West Bengal *2024*
Event Coordinator – Alumni Meet
- Coordinated event logistics and collaborated with faculty and student volunteers to ensure the successful execution of the Alumni Meet.

ACHIEVEMENTS & AWARDS

- **2nd Place – UI/UX Design Competition** – Revelations 2026 *2026*
- **3rd Place – Coding & Debugging Competition** – SHELLS 2026, Kristu Jayanti (Deemed to be University) *Feb 2026*

EDUCATION

CHRIST (Deemed to be University), Bengaluru *Jun 2025 – Apr 2027*
Master of Computer Applications (MCA) | CGPA: 9.2 / 10.0 (1st Year; aggregate through current semester)

Visva Bharati University, West Bengal *Aug 2023 – May 2025*
M.A. Economics | CGPA: 8.8 / 10.0 | 2nd Rank in Department

Visva Bharati University, West Bengal *Aug 2020 – May 2023*
B.A. (Honours) Economics | CGPA: 8.4 / 10.0 | 3rd Rank in Department
